Message from the President

Welcome to the Pride! Fall semester is the chance to open new doors to opportunity as you start – or continue – your journey at Wallace State.

Whether you are a freshman entering college for the first time, retraining for a new career, a dual enrollment student, or completing a GED and embarking on a career pathway, you'll enter one door at Wallace State. Wallace State has resumed normal on-campus operations and expects to continue to serve students with a full complement of classes and services on campus and online during Fall semester. Day, evening and weekend classes are offered on campus, as well as hybrid and online options for those needing to work classes into busy schedules.

This fall you'll see Mini Term options for courses that can be completed in eight weeks as well as Flex Start courses that allow you to enroll with a flexible start date and complete your courses on your schedule throughout the semester.

At Wallace State, there are a number of new opportunities to enhance your experience and prepare you for the future. A groundbreaking Diesel by Distance program allows you to learn from anywhere at your convenience, using virtual reality and earn-and-learn opportunities, along with drive-in assessments to complete a diesel degree or credential. Other new opportunities at WSCC include a bachelor's degree nursing program in partnership with UAB, new night classes for Welding, programs in Dance, Geospatial Information Systems (GIS), Cardiovascular Sonography, Medical Laboratory Assistant, Logistics, Small Farmer Training, and more.

More earn-and-learn opportunities, such as the FAME program for industrial maintenance students, a Mercedes Co-op program with our automotive service program, and numerous internships and apprenticeships with area businesses and industries allow Wallace State students to earn money and experience while completing credentials. Inquire with our Center for Career and Workforce Development to learn more about these and other opportunities.

Wallace State has been named a Caring Campus and has numerous supports to help students succeed, including a free food pantry, success advising, mental health counseling, tutoring, technology loans, emergency financial assistance, and more. The College is also an Achieving the Dream

Leader College, ranked among the Top 150 community colleges in the nation by the Aspen Institute, the preferred community college by Alabama high school seniors taking the ACT, and among the top colleges for health care and workforce development. The College has once again been recognized as a Military Friendly institution, with resources dedicated to honoring and serving our veterans on campus, and is receiving widespread acclaim as rates of student success, retention and graduation climb to among the highest in the nation.

Start planning now for your future. Please take time to review the fall semester offerings and contact a success advisor to develop a Pathways map and STARS guide for the program that's right for you. Many offices also provide virtual services for students.

To learn more about all Wallace State has to offer, visit the Wallace State website, download our app, or visit Lion Central. We look forward to seeing you on campus or online this fall!

Disclaimers/Policies

DISCLAIMER

Information contained in this schedule is offered for planning purposes only and is subject to change. For the latest information, visit www.wallacestate.edu/schedule.

ACCREDITATION

Wallace State Community College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award associate degrees. Contact the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404.679.4500 for questions about the accreditation of Wallace State Community College.

ADA ACCOMMODATIONS

All students receiving services through the ADA Office need to make an appointment or stop by to discuss the classes and accommodations needed for Summer Semester. All students wanting to utilize their accommodation for priority registration must make the appointment and have documentation on file before June 9, 2021. The WSCC ADA Office publishes a handbook outlining the policies and procedures required for acquiring academic accommodations. It is the student's responsibility to make sure that each step is completed. For further information, contact Director of Special Populations, Lisa Smith on the 8th floor of the Bailey Building, 256.352.8052, or visit www.wallacestate.edu/non-discrimination/ada-forms.

NON-DISCRIMINATION POLICY

It is the policy of Wallace State Community College, a postsecondary institution under the control of the Alabama Community College System Board of Trustees, that no person shall, on the grounds of race, color, sex, religion, national origin, disability, age, or sexual orientation be excluded from participation in, be denied benefit of, or be subjected to discrimination under any program, activity or employment. The College will not retaliate against any person because they have engaged in a protected activity opposing the College or because they have made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding or hearing alleging discrimination on a basis specified above.

Having Problems with Blackboard?

Call 256.352.8374 or send email to helpdesk@wallacestate.edu

Students may call for Blackboard assistance during business hours or visit learn.wallacestate.edu and click on "[Blackboard Student Help](#)" for online assistance.

Wallace State Community College is an open admissions institution. All students who have earned a high school diploma or GED are eligible for admission. In addition to an application for admission, students are required to supply the College with an official copy of their high school transcript or official copy of their GED scores. Students transferring from another college must submit an admissions application and an official copy of their transcript(s) from each college they have attended; in addition to their high school transcripts or GED scores if they did not complete a baccalaureate degree. Transient students must submit a transient letter from their home institution stating the courses they will be allowed to take in addition to an application for admission, Proof of ID, and Residency Form.

Graduates from a non-accredited high school with a diploma demonstrating successful completion of a course of study on the secondary level based upon the Carnegie units required by the state education agency at the time of the award (currently 24) are eligible for admission. If the above requirements are not met, the student must take a GED test.

Special requirements may apply to International Students seeking admission. International students must submit official transcripts, an I-20 Form, TOEFL scores, declaration of responsibility statement, proof of insurance, and all appropriate

admissions forms. Further information is available in the college catalog.

Visit Lion Central in the Bailey Center, or call 256.352.8236 or email lioncentral@wallacestate.edu for information about general admission.

DUAL ENROLLMENT

256.352.8050

The Dual Enrollment/Dual Credit High School and Fast Track programs allow eligible high school students to enroll in college classes concurrently with high school classes, either on the college campus or at the high school, and receive both high school and college credit. The student must be in grade 10, 11 or 12, have the required GPA; and obtain written approval of the Principal and Superintendent.

Contact the Dual Enrollment office at 256.352.8050, 256.352.8051, 256.352.7844 or 256.352.7807, or email Rachael Howze at rachael.howze@wallacestate.edu, for information about Dual Enrollment, Fast Track Academy, Fast Track for Industry, and the new Fine and Performing Arts Academy.

Visit www.wallacestate.edu/programs/dual-enrollment for more information.

Wallace State Community College will be distributing \$7 million to students in the coming year. Students who are enrolled and who qualify under the federal Coronavirus Response and Relief Supplements Appropriations Act (CRRSAA) and the American Rescue Plan (ARP) will receive these additional funds during the semester(s) in which they are enrolled. The grant allocation will also include high school students taking classes at Wallace State through the Dual Enrollment Program. The majority of Wallace State students will be qualified for the award under federal guidelines. Payments will vary. Wallace State will use existing enrollment information to allocate funds, which will be automatically distributed to all qualified students. Students do not need to contact the college to request the funds.

Getting Started at Wallace State

1. Apply for Admission, click on **myWallaceState**.
2. See Admissions Eligibility for Required Documentation.
3. Proof of identification: All new students and returning students must have on file in Admissions one primary form of photo documentation, such as an unexpired Driver's License.
4. Submit high school transcripts and transcripts from other colleges.
5. Apply for financial aid: Visit the Financial Aid section of the website for complete information.
6. All students must have appropriate placement scores in math and English. The ACCUPLACER assessment exam will determine placement in math and English classes. If you received a score of 17 or higher on ACT English and math, you are exempt from this test. You may also be exempt based on courses taken and grades earned in high school. See your advisor for information or the Center for Student Success located in the Bailey Center Lobby.
7. Attend Lion's Pride. This is designed to inform you about the policies, procedures and opportunities that await you as a Wallace State student.
8. First time students are encouraged to meet with an advisor for initial registration. To schedule non-traditional/distance education advising services for online students who are out-of-state or cannot access traditional advising services, please call the Center for Student Success at 256.352.8040.
9. Log onto your myWallaceState account. Visit www.wallacestate.edu, click on myWallaceState – then select the appropriate option.
10. Register for Classes: Take a look at the schedule for the semester you want to register. There you will find a listing of classes offered, registration schedule and other useful information. View your DegreeWorks education plan to determine classes that you have completed or need to take. You will register for classes on your myWallaceState account.
11. Pay tuition and fees either online from your myWallaceState account or at the Cashier's Office located in the Bailey Center.
12. Get your Lion Card and parking decal at Lion Central located in the lobby of the Bailey Center. You will need your unexpired driver's license and vehicle tag number in order to receive a parking decal. You will need proof of identification to receive your Lion Card.
13. Purchase books. The Campus Bookstore is located next to the Student Center.
14. Go to classes! See important attendance requirements in the Financial Aid section of this schedule. See Building Codes and Campus Map at the back of the schedule.

Register Online

www.wallacestate.edu

1. Visit www.wallacestate.edu. Click on myWallaceState. Login using your A#@wallacestate.edu (ex. A00099990@wallacestate.edu). Your pin is your 6 digit date of birth (ex. January 1, 1999 = 010199). Your social security number will not work as your log in credential.
2. Note: If you have previously changed your password, use that password to login as described above.
3. Click on the Student Tab, then Student Services, then Registration.
4. Click on Register for Classes. Select the Term for registration. You can enter the Course Number (CRN) or Search by Subject, Course Number or Keyword.
5. After selecting your classes click Add and then Submit
6. To view/print your class schedule: Go to Student Tab; View registration Information.
7. Students should make a payment in full or they will be auto-enrolled in the Tuition Payment Plan. See p. 7

NOTE: The days of the week in the schedule are indicated as follows: M = Monday; T = Tuesday; W = Wednesday; R = Thursday; F = Friday; S = Saturday. For example, a class with days listed as TR are held on Tuesday and Thursday.

WHAT ARE MINI TERMS AND FLEX START COURSES?

Mini Term I: August 19-October 12; Mini Term II: October 14-December 16; Flex Start I: August 26-December 16; Flex Start II: September 2-December 16

Mini Terms are offered each semester to allow students 1) the opportunity to complete courses in less time than a regular full term, and 2) to start a class or add extra classes mid-semester. Students wishing to accelerate completion of their degree might choose, for example, to complete ENG 101 during Mini Term I and ENG 102 during Mini Term II, so that both classes are done in one semester. Fall and Spring Mini Terms are typically 8 weeks and 5 weeks in the Summer due to the shorter semester. Be sure to talk to your advisor if you have questions about scheduling.

NOTE: Students are encouraged to register for Mini Term II Classes during Registration June 15-August 25. Students using financial aid may not be awarded additional funds if registration for Mini Term II is completed after August 25.

"Flex Start" classes refer to online classes that begin after Drop/Add ends. They start after Mini Term I and full-semester courses and before Mini Term II classes. However, even though the start date is flexible, the assignments, tests, and other assessments are all due by the end of the regular semester. Therefore, these courses are for highly-motivated students who can complete assignments successfully with less time. See Fall 2021 Flex Start courses on page 45.

Withdrawal Policy

Dropping a Course During Registration and Drop/Add Period

A student may drop a course either in person or on their MyWallaceState account during registration until the drop/add period ends. If dropping in person, a form is available at Lion Central located in the Bailey Center Lobby. The form is completed and the drop will be completed by Admission personnel. The student can view the drop when processed on their MyWallaceState account. The class and the charges will be removed from the student's records if dropped before classes begin.

Withdrawal from a Course After Registration and Drop/Add Period Ends

Once the drop/add period is over the student may withdraw from a course and will receive the grade of W in the course. The W will be posted on the official transcript and will not be used in computing the GPA. (The W will be used in calculating attempted hours for Satisfactory Academic Progress (SAP) to receive financial aid.) The last date to withdraw from a course for the term is published in the current course schedule. Students can withdraw from a course via their MyWallaceState

account on in person at Lion Central located in the Bailey Center Lobby. Students who receive financial aid are advised to meet with the college Financial Aid department to determine impact on SAP.

Withdrawal from the College

A student may withdraw from the institution up to the deadline published in the course schedule. Withdrawing from all classes constitutes a withdrawal from the college. Once the drop/add period is over the student may withdraw from a course or all course and will receive the grade of W in each course in which they withdraw. The W will be posted on the official transcript and will not be used in computing the overall GPA. The W will be used in the calculation for attempted hours on SAP. The last date to withdraw from a course (or all courses) is published in the current course schedule. Students can withdraw from the college via their MyWallaceState account or in person at Lion Central located in the Bailey Center Lobby. Students who receive financial aid are advised to meet with the Financial Aid department to determine if withdrawing from all classes will impact their Satisfactory Academic Progress (SAP).

FREE Tutoring

Free Tutoring is offered to Wallace State students seeking assistance in subjects such as:

- Math
- English
- Biology
- Computer Science
- Business

256.352.7821

The Tutorial Lab is located on the 8th Floor of the James C. Bailey Center and is open 8 a.m. to 6 p.m. Monday through Thursday, 8 a.m. to 2 p.m. Friday, and 10 a.m. to 2 p.m. Saturday. Please take advantage of the free service.

WSCC App

You can keep Blackboard, myWallaceState, and more at your fingertips with the Wallace State Community College App.

The free app is available for Apple and Android

Use it to register, check your schedule and account balance, view the Wallace State calendar, important phone numbers, a campus map and more! Search for Wallace State Community College in your app store to download the app and put it to use for you!

Parking Permits

Parking Permits are available free of charge from Lion Central, the Wallace State One Stop Center for enrollment services, located on the first floor of the Bailey Center. All students are required to obtain a parking permit if driving on campus. Students are required to renew their parking permit each Fall semester.

Lion Card/Student ID

All students are required to have this form of identification while on campus or at clinical sites. IDs are available at Lion Central.

Students receiving financial aid should read the following information carefully:

Dropping a course prior to August 27, 2021 will result in a recalculation of a student's federal financial aid which includes Pell Grants, Direct Loans, and SEOG Funds. This recalculation could affect the amount of the financial aid award and may result in a balance owed to the college.

Dropping all classes prior to October 27, 2021 will result in a recalculation of federal financial aid which includes Pell Grants, Direct Loans, and SEOG Funds. This recalculation will be based on the number of days the student attended the class prior to dropping all classes. A student will likely owe a portion of financial aid back to Wallace State and/or the US Department of Education if all classes are dropped prior to October 27, 2021 or if the student quits attending classes prior to October 27, 2021.

APPLY EARLY – Students applying for financial aid should apply at least two (2) months before the next semester begins. Applying early will help ensure a timely response to federal guidelines and will allow for any unforeseen problems/situations that might occur. Applying early will also help the student avoid potential long lines or waits.

BOOKSTORE CHARGES

If Pell Awards exceed the amount of tuition and fees owed, students may charge books and supplies on their Pell accounts at the WSCC Bookstore. These accounts will be open for charges Tuesday, August 10, 2021.

DISTANCE EDUCATION students are responsible for logging in and meeting orientation requirements for all Blackboard, Internet, and video classes. Pell funds will not be distributed until attendance is verified.

BALANCE CHECKS

Per federal guidelines, attendance must be verified before balance checks can be mailed. Students who have not been electronically verified as attending their classes by their instructors will not be able to see their Financial Aid funds on their myWallaceState account for that class that has not been confirmed as attending. As more classes are verified, more funds will be added to the student account balance that can be seen on myWallaceState student account.

PLEASE NOTE: Students in DISTANCE EDUCATION courses are responsible for logging in and meeting orientation requirements for all on-line and video classes. Pell and loan funds will not be mailed until attendance is verified. Pell Grant and loan balance checks, with no holds, will begin mailing Wednesday, September 1, 2021. If you are registered in classes that begin later than August 27, 2021 your balance check will be mailed at a later date. You must attend classes prior to any funds being mailed for a particular class. Withdrawal from all classes after receiving balance checks will result in Pell overpayment and future Pell payments for WSCC or any other college will cease until the overpayment is repaid. Students that register for courses in subsequent terms after August 27, 2021 may not be eligible to receive additional financial aid coverage if they have previously registered for the term. This includes Pell Grant and Direct Loans. Please check with the Financial Aid Office before adding these courses.

Attendance Verification:

Removal for classes with no AV can affect eligibility for Financial Aid and the award amount. Students utilizing federal financial aid who do not show attendance for 1 or more classes may have registration removed from the classes lacking attendance verification. Students will need instructor permission to re-enroll in classes that were removed for no attendance verification.

INSTITUTIONAL SCHOLARSHIP recipients must complete a 2020-2021 FAFSA prior to enrollment being completed. Scholarships cannot be added to the student account until the FAFSA is received.

REMEMBER

Students must re-file for Pell Grants for every academic year (Fall – Summer). The Free Application for Federal Student Aid (FAFSA) is available online at www.fafsa.gov. Students applying for 2021-2022 (Fall 2021, Spring 2022, Summer 2022) Pell Grants must complete the forms with 2019 tax data. It is the student's responsibility to provide any additional information requested by the Financial Aid Office. The Grant cannot be awarded until the student's file is complete.

****Priority Deadline for Fall 2021 Financial Aid is June 1, 2021.**

Completed Financial Aid paperwork must be submitted to the Financial Aid Office and Admission requirements (ID, residency, transcripts, etc.) by the deadline of June 1, 2021 in order for funds to be available for summer semester 2021. Visit <http://www.wallacestate.edu/finaid>. Students should review their myWallaceState account for individual requirements.

What changes did the pandemic bring?

Have you...

- **Lost a job?**
- **Changed Employment?**
- **Lost income by other means?**

You may qualify for new or additional financial aid funds. Scan the QR code to access the Income Adjustment Form for the 2021-2022 Academic Year.

NOTE: All enrollment fees and payments are processed immediately.

TUITION REFUND POLICY

Refund for PARTIAL withdrawal: Students who do not completely withdraw from the college but drop a class during the regular drop/add period will be refunded the difference in tuition paid and the tuition rate applicable to the reduced number of hours, including fees appropriate to the classes dropped. There will be no refund to a student who partially withdraws after the official drop/add period has ended.

Refund for a COMPLETE withdrawal: A student who officially or unofficially withdraws from all classes before the first day of class will be refunded the total tuition and other institutional charges. A student who officially or unofficially withdraws completely on or after the first day of class but prior to the end of the third week of class will be refunded according to the following prorated refund schedule:

Regular Term (August 19-December 16)

	Partial	Complete
Through Aug. 18	100%	100%
Aug. 19-Aug. 25	100%	75% minus admin fee

Administrative Fee: An administrative fee not to exceed 5% of tuition and other institutional charges shall be assessed for each withdrawal within the period beginning the first day of class and ending at the end of the third week of class.

NOTE: Insurance fees are non-refundable.

Tuition refunds are computed according to the date the student notifies the college Admission's Office of their official withdrawal, not his/her last date of class attendance.

Wallace State does not give cash refunds: Under normal circumstances, refund checks are issued weekly and mailed to the student. If payment was made by check, the student must wait 15 days for the check to clear before a refund is issued. Refer to the current academic calendar for drop/add and withdrawal deadlines.

CHECK BALANCE: Students can view their balance via their myWallaceState account. To access your balance please follow these steps:

1. Log on to your myWallaceState account.
2. Go to Student Tab, select Student Services
3. Student Account: Account Detail for Term
4. Select Term and Submit

To pay your balance using a Debit or Credit Card, or check, you may select Payment Processing, under Student Account.

DIRECT DEPOSIT: Students can have funds returned via direct deposit to the student's checking account.

1. Log on to your myWallaceState account.
2. Go to Student Tab, select Student Services
3. Student Account; then select Make a Payment, Deposit, and Payment Plan

Tuition Payment Options

WSCC Students have two options for payment of tuition and fees. If a student does not pay 100 percent of their account balance by the earliest due date, they will automatically be enrolled in the WSCC Payment Plan, which will include a **\$25 enrollment fee**.

*Students who register during this period who fail to pay 100 percent of their account balance within 24 hours of registration will be assessed a \$50 late registration fee.

Delinquent Accounts

In the event of an unpaid balance from a previous semester, the student will be removed from housing, meal plans will be canceled, and grade reports, college credits, transcripts or diplomas will not be issued or released. A student with a delinquent account shall not be allowed to enroll in subsequent terms until the balances are paid in full.

The institution has the right to refer the student's delinquent account to a collection agency for failure to meet financial obligations of any kind to the institution, including the payment of additional payment charges, attorneys' fees, and any other fees and charges necessary for the collection of any amount not paid when due.

Residence Halls

256.352.8156

Living on campus has many advantages. Wallace State's residence halls provide an environment conducive to academic achievement and are conveniently located within walking distance to classrooms, the library, and other campus facilities. Residents often find that living in a residence hall is a great way to become involved in student activities and make new friends.

Wallace State offers both men's and women's residence halls. The rooms are large and designed for double-occupancy, but a limited number of single rooms are available. Most rooms have two double beds, two study areas with storage units, a large walk-in closet and a private bath. Multiple laundry facilities are located in each residence hall with coin-operated washers and dryers.

Telephone and cable outlets are provided in each room.

The residence halls also provide community kitchen facilities. In addition, residents are allowed to have refrigerators and microwave ovens in their rooms. Wally's Grill is located in the Garlan E. Gudger Student Center and provides meals offered through the meal plan. The WSCC Café is located in the School of Nursing and Center for Science. Both are open Monday-Thursday; check for hours. A variety of restaurants are located adjacent to campus.

Fall Semester Residence Hall Rates

\$1,400 Double Occupancy
\$11.67 Double Occupancy Prorated Rate
\$2,800 Single Occupancy
\$23.33 Single Occupancy Prorated Rate

Applicants admitted to the residence halls after the second week of classes will be charged a prorated residence hall rental rate based upon the number of days remaining in the semester.

Fall Semester Meal Plan

Plan A	Plan B
\$850	\$1,050
\$13.71 Prorated Rate	\$16.94 Prorated Rate

Plan A: 8 Meals Per Week
Plan B: 12 Meals Per Week

Applicants applying for the meal plan after the second week of classes will be charged a prorated rate based upon the number of meal plan days remaining in the semester.

Flex Start Courses - Fall 2021

"Flex Start" classes refer to online classes that begin after Drop/Add ends. They start after Mini Term I and full semester courses and before Mini Term II classes. However, even though the start date is flexible, tests and other assessments are due on the date assigned by the instructor. Flex start semesters will finish at the same time as the regular term. Therefore, these courses are for highly motivated students who can complete assignments successfully with less time.

PULSE 2021 set for Oct. 5-6

Save the dates for PULSE 2021, Oct. 5-6 at the Hanceville and Oneonta campuses.

PULSE (Pathways United for Learning, Service and Excellence) is a two-day, conference-style event for students, offering personal and professional development workshops, service projects, and inspiring speakers.

On these two days, students will participate in PULSE events rather than classes, so attendance is strongly encouraged. Many workshop start times are scheduled for times when classes would typically begin for students so that students

can attend a workshop at a time when they would usually attend a class. Live-streaming and recorded online options will be available for distance education students.

Separate minimum requirements will be posted for full-time and part-time students. Some instructors may have PULSE-linked course assignments or PULSE-related program requirements. Instructors may offer extra credit or other attendance incentives. Check with your instructors to see how they will be integrating PULSE in your courses.

WORK-BASED LEARNING

Wallace State offers a number of ways for students to earn and learn. Through the Federation for Advanced Manufacturing (FAME), the Mercedes-Benz Tech Co-Op Partnership, and the Kubota Co-Op Partnership, students in the Mechatronics/Industrial Maintenance, Advanced Automotive Technology, and Diesel Technology programs can earn wages through employment at partner facilities while attending WSCC.

Work-based learning opportunities in other programs are also available. Inquire below. Also ask about our new Pre-Apprenticeship and Diesel by Distance programs.
