

Clear Bag Policy

2026

In the interest of public safety, Wallace State Community College has implemented a clear bag policy for the AHSAA Northwest Regional Basketball Tournament that limits the size and types of bags that may be brought in by fans. The implementation of this measure is intended to enhance public safety while minimizing time spent searching bags at gate security checkpoints, easing access into the facility.

- Bags that are clear plastic, vinyl or PVC and do not exceed 12"x6"x12". This includes backpacks, drawstring bags, fanny packs, etc.
- One-gallon clear plastic freezer bags.
- Small clutch purses, no larger than 4 ½" x 6 ½", with or without a handle strap can be taken into the venue in addition to the approved clear plastic bags.
- Spectators also will be allowed to carry other items such as binoculars and cameras, but their cases will not be allowed.
- Working personnel, including accredited news media, will continue to enter through designated gates where they will be subject to screening and bag inspections.
