Message from the President

Welcome to the Fall 2026 Semester at Wallace State Community College!

The start of the fall semester brings renewed energy and excitement to Wallace State as students return to campus, begin new programs, and continue working toward their academic and career goals. Whether you're joining us for the first time or returning to continue your Pathway, we're proud to support your success and help you make meaningful progress this year.

Fall is a time of fresh beginnings, and our campus reflects that spirit. Students will notice the continued growth and transformation happening across Wallace State as major construction advances on several key projects. The new Academic Center of Excellence, Haas Center for Advanced Manufacturing, and Advanced Automotive Technology buildings are under construction and will provide superb learning environments for our students.

In addition to new construction, significant renovations are planned at two of our most frequently used student spaces—the Wellness Center and the Garlan E. Gudger Sr. Student Center. These updates will revitalize both buildings with modern, student-focused amenities that enhance recreation, wellness, and campus life. Once completed, these refreshed facilities will offer more inviting and functional areas for students to gather, study, exercise, and build community.

Wallace State continues to expand its academic offerings with new programs launching this year and others growing to meet industry demand. Recent additions include the Advanced Baking and Pastry, Facility Maintenance Technology, Speech and Language Pathologist Assistant, Radiation Therapy, Artificial Intelligence Programming, Cloud Computing, Systems Engineering Technology, Digital Fabrication, Culinary Arts and Nutrition Management, and updated concentrations in Health Information Technology such as Revenue Cycle Management and Database Management. Our Nursing program also continues to expand with additional scheduling options and a joint enrollment partnership with Athens State University.

Students benefit from a wide range of earn-and-learn opportunities available during the fall semester, including apprenticeships in Child Development and Nursing, internships with local business and industry partners, and the FAME program for industrial maintenance. These real-world experiences provide valuable skills and income while students progress toward their credentials.

Support services remain central to the Wallace State experience, and we encourage students to take full advantage of the many resources available. Success advising, mental health counseling, tutoring, technology loans, emergency financial assistance, and access to our free food pantry are all designed to ensure you have the tools you need to thrive. Many departments continue offering virtual services as well, making it easier than ever to stay connected.

We also encourage students to take advantage of the many opportunities to get involved outside the classroom through Wallace State's athletic programs, student organizations, and intramural sports. This fall marks an exciting milestone as we expand our athletics lineup with the addition of women's soccer, joining our nationally-recognized athletic teams that continue to excel both on and off the field. Whether you're cheering from the stands, participating in clubs and organizations, or joining an intramural team, these activities are a valuable way to build friendships, develop leadership skills, and strengthen your connection to campus life.

As you begin the Fall 2026 semester, now is the perfect time to plan ahead. Review your degree requirements, connect with a success advisor to update your Pathways map and transfer plans, and explore the many opportunities available to you across campus. Visit our website, download the Wallace State app, or stop by Lion Central for in-person assistance.

We are excited to welcome you to campus this fall and look forward to all you will accomplish in the months ahead. Here's to a strong and successful Fall 2026 semester at Wallace State!

DISCLAIMER

Information contained in this schedule is offered for planning purposes only and is subject to change. For the latest information, visit www.wallacestate.edu/schedule.

ACCREDITATION

Wallace State Community College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate degrees. Wallace State Community College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Wallace State Community College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

ADA ACCOMMODATIONS

All students receiving services through the ADA Office need to make an appointment or stop by to discuss the classes and accommodations needed for the Semester. All students wanting to utilize their accommodation for priority registration must make the appointment and have documentation on file before April 1, 2026. The WSCC ADA Office publishes a handbook outlining the policies and procedures required for acquiring academic accommodations. It is the student's responsibility to make sure that each step is completed. For further information, contact Director of Special Populations, Lisa Smith on the 8th floor of the Bailey Center, 256.352.8052 or visit <http://www.wallacestate.edu/accessibility>

NON-DISCRIMINATION POLICY

It is the policy of Wallace State Community College, a postsecondary institution under the control of the Alabama Community College System Board of Trustees, that no person shall, on the grounds of race, color, sex, religion, national origin, disability, age, or other classification protected by law be excluded from participation in, be denied benefit of, or be subjected to discrimination under any program, activity or employment. The College will not retaliate against any person because they have engaged in a protected activity opposing the College or because they have made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding or hearing alleging discrimination on a basis specified above.

Admission Policy

256.352.8236

Wallace State Community College is an open admissions institution. All students who have earned a high school diploma or GED are eligible for admission. In addition to an application for admission, students are required to supply the College with an official copy of their high school transcript or official copy of their GED scores. Students transferring from another college must submit an admissions application and an official copy of their transcript(s) from each college they have attended; in addition to their high school transcripts or GED scores if they did not complete a baccalaureate degree. Transient students must submit a transient letter from their home institution stating the courses they will be allowed to take in addition to an application for admission.

Special requirements may apply to International Students seeking admission. International students must submit official transcripts, an I-20 Form, TOEFL scores, declaration of responsibility statement, proof of insurance, and all appropriate admissions forms. Further information is available in the college catalog.

Visit Lion Central in the Bailey Center, or call 256.352.8236 or email lioncentral@wallacestate.edu for information about general admission.

DUAL ENROLLMENT

256.352.7865

The Dual 2 Degree: Early College Programs allow eligible high school students to enroll in college classes concurrently with high school classes, either on the college campus or at the high school, and receive both high school and college credit. The student must be in grade 10, 11 or 12, have the required GPA; and obtain written approval of the Principal and Superintendent. Contact the Dual Enrollment office at 256.352.7865, or email dual2degree@wallacestate.edu, for information about Dual Enrollment, Transfer Academy and Career Academy.

WALLACE STATE
HANCEVILLE • ONEONTA

Getting Started at Wallace State

1. Apply for Admission, click on **Apply & Register** on the Wallace State website.
2. See **Admissions Eligibility** for Required Documentation.
3. Submit high school transcripts and transcripts from other colleges.
4. Apply for financial aid: Visit the **Financial Aid** section of the website for complete information.
5. All students must have appropriate placement scores in math and English. The ACCUPLACER assessment exam will determine placement in math and English classes. If you received a score of 17 or higher on ACT English and math, you are exempt from this test. You may also be exempt based on courses taken and grades earned in high school. See your advisor for information or the Center for Student Success located in the Bailey Center Lobby.
6. Attend Lions' Pride and Wallace Way. These events are designed to help new students register for classes, prepare you for the first day of classes, and inform you about the policies, procedures and opportunities that await you as a Wallace State student.
7. First time students are encouraged to meet with an advisor for initial registration. To schedule non-traditional/distance education advising services for online students who are out-of-state or cannot access traditional advising services, please call the Center for Student Success at 256.352.8040.
8. Log onto your myWallaceState account. Visit www.wallacestate.edu, click on myWallaceState – then select the appropriate option.
9. Register for Classes: Take a look at the schedule for the semester you want to register. There you will find a listing of classes offered, registration schedule and other useful information. View your DegreeWorks education plan to determine classes that you have completed or need to take. You will register for classes on your myWallaceState account.
10. Pay tuition and fees either online from your myWallaceState account or at the Cashier's Office located in the Bailey Center.
11. Get your Lion Card and parking decal at Lion Central located in the lobby of the Bailey Center. You will need your unexpired driver's license and vehicle tag number in order to receive a parking decal. You will need proof of identification to receive your Lion Card.
12. Visit wallacestate.edu/pawpack to verify Paw Pack order or opt-out of the program. The opt-out window is open Aug. 3 through Aug. 26 for the Fall 2026 semester.
13. Go to classes! All students must have attendance verified during the first week of class to avoid the class being dropped from their schedule. See important attendance requirements in the Financial Aid section of this schedule. See Building Codes and Campus Map at the back of the schedule.

Register Online

www.wallacestate.edu

1. Visit www.wallacestate.edu. Click on myWallaceState. Login using your A#@alabama.edu (e.g. A00099990@alabama.edu) and the password you created when you claimed your account.
2. Note: If you have previously changed your password, use that password to login as described above.
3. Click on the Student Portal to Open Student Dashboard, click Student Services, then click on Registration under the heading: Student Records.
4. Click on Register for Classes. Select the Term for registration. You can enter the Course Number (CRN) or Search by Subject, Course Number or Keyword.
5. After selecting your classes click Add and then Submit
6. To view/print your class schedule: Go to the Student Link; View Registration Information, locate the printer icon in the upper right corner.
7. Students should make a payment in full or they will be auto-enrolled in the Tuition Payment Plan. See p. 7

NOTE: The days of the week in the schedule are indicated as follows: M = Monday; T = Tuesday; W = Wednesday; R = Thursday; F = Friday; S = Saturday; U = Sunday. For example, a class with days listed as TR are held on Tuesday and Thursday.

WHAT ARE MINI TERMS?

Mini Term I: August 17-October 12; Mini Term II: October 14-December 15;

Mini Terms are offered each semester to allow students 1) the opportunity to complete courses in less time than a regular full term, and 2) to start a class or add extra classes mid-semester. Students wishing to accelerate completion of their degree might choose, for example, to complete ENG 101 during Mini Term I and ENG 102 during Mini Term II, so that both classes are done in one semester. Fall and Spring Mini Terms are typically 8 weeks and 5 weeks in the Summer due to the shorter semester. Be sure to talk to your advisor if you have questions about scheduling.

NOTE: Students are encouraged to register for Mini Term II classes during Registration April 6 through August 22. Students using financial aid may not be awarded additional funds if registration for Mini Term II is completed after October 14.

Withdrawal Policy

Dropping a Course During Registration and Drop/Add Period

A student may drop a course either in person or on their MyWallaceState account during registration until the drop/add period ends. If dropping in person, a form is available at Lion Central located in the Bailey Center Lobby. The form is completed and the drop will be completed by Admission personnel. The student can view the drop when processed on their MyWallaceState account. The class and the charges will be removed from the student's records if dropped before classes begin. See the Tuition Refund Policy on page 7.

Withdrawal from a Course After Registration and Drop/Add Period Ends

Once the drop/add period is over the student may withdraw from a course and will receive the grade of W in the course. The W will be posted on the official transcript and will not be used in computing the GPA. (The W will be used in calculating attempted hours for Satisfactory Academic Progress (SAP) to receive financial aid.) The last date to withdraw from a course for the term is published in the current course schedule. Students can withdraw from a course via their MyWallaceState

account or in person at Lion Central located in the Bailey Center Lobby. Students who receive financial aid are advised to meet with the college Financial Aid department to determine impact on SAP.

Withdrawal from the College

A student may withdraw from the institution up to the deadline published in the course schedule. Withdrawing from all classes constitutes a withdrawal from the college. Once the drop/add period is over the student may withdraw from a course or all course and will receive the grade of W in each course in which they withdraw. The W will be posted on the official transcript and will not be used in computing the overall GPA. The W will be used in the calculation for attempted hours on SAP. The last date to withdraw from a course (or all courses) is published in the current course schedule. Students can withdraw from the college via their MyWallaceState account or in person at Lion Central located in the Bailey Center Lobby. Students who receive financial aid are advised to meet with the Financial Aid department to determine if withdrawing from all classes will impact their Satisfactory Academic Progress (SAP).

Students receiving financial aid should read the following information carefully:

CENSUS/FREEZE DATE - Dropping a course prior to August 24, 2026, will result in a recalculation of a student's federal financial aid which includes Pell Grants, Direct Loans, and SEOG Funds. This recalculation could affect the amount of the financial aid award and may result in a balance owed to the college. Students that register for courses in subsequent terms AFTER August 24, 2026, may not be eligible to receive additional financial aid coverage for the added classes. Students should register for all classes in future terms at the beginning of the term if possible to ensure maximum federal aid. This includes Pell Grant and Direct Loans. Please check with the Financial Aid Office before adding these courses for individual questions about this process.

60% DATE OF TERM - Dropping ALL classes prior to October 28, 2026, will result in a recalculation of federal financial aid which includes Pell Grants, Direct Loans, and SEOG Funds. This recalculation will be based on the number of days the student attended the class prior to dropping all classes. These days determine the percentage of aid the student earned for the term. A student will likely owe a portion of financial aid back to Wallace State and/or the US Department of Education if all classes are dropped prior to October 28, 2026, or if the student quits attending classes prior to October 28, 2026.

APPLY EARLY – Students applying for financial aid should apply at least two (2) months before the next semester begins. Applying early will help ensure a timely response to federal guidelines and will allow for any unforeseen problems/situations that might occur. Applying early will also help the student avoid potential long lines or waits.

BOOKSTORE CHARGES

If Pell Awards exceed the amount of tuition and fees owed, students may charge books and supplies on their Pell accounts at the WSCC Bookstore. These accounts will be open for charges Saturday, August 8, 2026.

ONLINE/DISTANCE EDUCATION students are responsible for logging in and meeting attendance verification requirements for all Canvas, Internet, and video classes. Pell funds will not be distributed until attendance is verified.

BALANCE CHECKS

Per federal guidelines, attendance must be verified before balance checks can be mailed. Students who have not been electronically verified as attending their classes by their instructors will not be able to see their Financial Aid funds on their myWallaceState account for that class that has not been confirmed as attending. As more classes are verified, more funds will be added to the student account balance that can be seen on myWallaceState student account.

PLEASE NOTE: Students in DISTANCE EDUCATION courses are responsible for logging in and meeting attendance verification requirements for all online classes. Pell and loan funds will not be mailed until attendance is verified. Pell Grant and loan balance checks, with no holds, will begin mailing Friday, August 28, 2026. If you are registered in classes that begin later than Friday, August

28, 2026, your balance check will be mailed at a later date after attendance is verified. You must attend classes prior to any funds being mailed for a particular class. Withdrawal from all classes after receiving balance checks will result in Pell overpayment and future Pell payments for WSCC or any other college will cease until the overpayment is repaid.

SET UP DIRECT DEPOSIT:

Students can receive their refunds by direct deposit. Please follow these steps:

1. Log on to your myWallaceState account.
2. Select View All Cards.
3. Select Account Transaction Card.
4. Select the option you need.

ATTENDANCE VERIFICATION (AV)

Removal for classes with no AV can affect eligibility for Financial Aid and the award amount. Students utilizing federal financial aid who do not show attendance for one or more classes may have registration removed from the classes lacking attendance verification. Students will need instructor permission to re-enroll in classes that were removed for no attendance verification. Students cannot be paid on classes until we can document they started the class.

INSTITUTIONAL SCHOLARSHIP recipients must complete a 2026-2027 FAFSA prior to enrollment being completed. Scholarships cannot be added to the student account until the FAFSA is received.

REMEMBER

Students must re-file for Pell Grants for every academic year (Fall – Summer). The Free Application for Federal Student Aid (FAFSA) is available online at <https://studentaid.gov/h/apply-for-aid/fafsa>. Students applying for 2026-2027 (Fall 2026, Spring 2027, Summer 2027) Pell Grants must complete the forms with 2024 tax data. It is the student's responsibility to provide any additional information requested by the Financial Aid Office. The Grant cannot be awarded until the student's file is complete.

****Priority Deadline for Spring 2027 Financial Aid is November 1, 2026.**

Complete Financial Aid and Admission paperwork must be submitted by the deadline of November 1, 2026, in order for funds to be available for Spring 2027. Visit <http://www.wallacestate.edu/financial-aid>. Students should review their myWallaceState account for individual requirements.

TUITION REFUND POLICY

Refund for PARTIAL withdrawal: Students who do not completely withdraw from the college but drop a class during the regular drop/add period will be refunded the difference in tuition paid and the tuition rate applicable to the reduced number of hours, including fees appropriate to the classes dropped. There will be no refund to a student who partially withdraws after the official drop/add period has ended.

Refund for a COMPLETE withdrawal: A student who officially or unofficially withdraws from all classes before the first day of class will be refunded the total tuition and other institutional charges. A student who officially or unofficially withdraws completely on or after the first day of class but prior to the end of the third week of class will be refunded according to the following prorated refund schedule:

10/20-10/22	NO refund	25% minus Admin fee
After 10.22	NO refund	NO refund

Additional Fees: See college catalog for program specific fees. (Tuition and fees are subject to change at any time by State Board policy.)

*Paw Pack is optional, but students must opt out. Visit wallacestate.edu/pawpack for details.

Students who are NOT residents of Alabama pay two times the stated rate of tuition. Fees are the same. ALL TUITION & FEES ARE DUE AT REGISTRATION.

Administrative Fee: An administrative fee not to exceed 5% of tuition and other institutional charges shall be assessed for each withdrawal within the period beginning the first day of class and ending at the end of the third week of class.

NOTE: Insurance fees are non-refundable.

Tuition refunds are computed according to the date the student notifies the college Admission's Office of their official withdrawal, not his/her last date of class attendance.

Wallace State does not give cash refunds:

Under normal circumstances, refund checks are issued weekly and mailed to the student. If payment was made by check, the student must wait 15 days for the check to clear before a refund is issued. Refer to the current academic calendar for drop/add and withdrawal deadlines.

Residence Halls

256.352.8156

Living on campus has many advantages. Wallace State's residence halls provide an environment conducive to academic achievement and are conveniently located within walking distance to classrooms, the library, and other campus facilities. Residents often find that living in a residence hall is a great way to become involved in student activities and make new friends.

Wallace State offers both men's and women's residence halls. The rooms are large and designed for double-occupancy, but a limited number of single rooms are available. Most rooms have two double beds, two study areas with storage units, a large walk-in closet and a private bath. Multiple laundry facilities are located in each residence hall with coin-operated washers and dryers.

The residence halls also provide community kitchen facilities. In addition, residents are allowed to have refrigerators and microwave ovens in their rooms. Wally's Grill is located in the Garlan E. Gudger Student Center and provides meals offered through the meal plan. The Grill is open Monday-Thursday 7:30 a.m. to 5:30 p.m. A variety of restaurants are located adjacent to campus. Students on the meal plan may also be served at the WSCC Café in the School of Nursing and Center of Science. The WSCC Café is open Monday-Thursday 7:30 a.m. to 2 p.m.

Fall Semester Residence Hall Rates

- \$2,000 Double Occupancy
- \$16.53/Day Double Occupancy Prorated Rate
- \$4,000 Single Occupancy
- \$33.06/Day Single Occupancy Prorated Rate

Applicants admitted to the residence halls after the second week of classes will be charged a prorated residence hall rental rate based upon the number of days remaining in the semester.

Fall Semester Meal Plan

- 8 Meals Per Week
- \$1,200
- \$17.91/Day Prorated Rate

Applicants applying for the meal plan after the second week of classes will be charged a prorated rate based upon the number of meal plan days remaining in the semester.

ON CAMPUS HOUSING PAYMENT SCHEDULE

Payment for dorm rent is due before move-in for new students; returning students should follow tuition fee schedule on Page 7.

Bookstore Information

256.352.8100

Wallace State Community College is excited to announce **Paw Pack**, a new program in partnership with our Barnes & Noble Bookstore to deliver all your required course materials in one convenient package before the first day of class. Unless you opt out of the program, your course materials will be included in your student account balance—**saving you 35–50%** on textbooks and more.

Our Paw Pack (First Day Complete) program makes getting your course materials more convenient and affordable.

- Receive all your course materials before the first day of class
- Save 35-50% on the cost of course materials each term
- Benefit from a highly personalized service

How it works

- **Register for classes:** Upon registration for courses, you will be automatically enrolled in the program.
- **Verify your order:** Starting 30 days before the first day of classes, you will receive an email to verify your order and select your fulfillment preference - you will be given an option to opt out of Paw Pack if you choose not to participate.
- **Receive your textbooks:** An email notification will be sent when your order is ready for pickup or when it ships. Your digital materials will be delivered for your course(s) within Canvas.
