Message from the President

Welcome to the Summer 2026 Semester at Wallace State Community College! Summer at Wallace State brings a special rhythm to campus—a more relaxed, flexible atmosphere that gives students room to focus, explore and take meaningful steps toward their goals. Whether you're catching up, getting ahead, or beginning your college journey, summer is the perfect time to invest in your future.

We're especially excited to welcome returning students who are continuing their programs and new students who are joining us for the first time. Summer classes offer smaller groups, lighter traffic, and a quieter campus environment, creating the ideal setting for deeper learning and personal connection. Whether you're a first-time college student, dual enrollment student, adult learner, or someone retraining for a new career, you'll find support, encouragement, and community here.

Students attending classes this summer will also see firsthand the growth happening across the college. Major construction projects are underway—including the new STEM Gateway building, and expanded facilities for Machine Tool Technology and Advanced Automotive Services. These projects represent our continued investment in modern, high-quality learning spaces designed to meet the needs of today's workforce.

In addition to the major construction projects already underway, students will soon notice exciting renovations beginning at two of our most frequently used campus hubs—the Wellness Center and the Garlan E. Gudger Sr. Student Center. These updates will modernize both facilities with improved spaces for student activities, recreation, wellness services, and campus life. Once completed, these refreshed environments will offer more inviting, functional areas for studying, socializing, exercising, and gathering as a community. We appreciate your patience during the renovation period and look forward to unveiling these enhanced spaces in the months ahead.

Wallace State continues to expand academic offerings with innovative new programs launching this year. The Speech and Language Pathologist Assistant program begins its first full cycle, joining recent additions such as Radiation Therapy, Artificial Intelligence Programming, Cloud Computing, Systems Engineering Technology, Digital Fabrication, and expanded Culinary Arts and Nutrition Management options. Enhancements to Health Information Technology now include Revenue Cycle Management and Database Management, and our Nursing program continues to grow through evening cohorts and joint enrollment partnerships with UAB and Athens State University.

Students also benefit from earn-and-learn opportunities available year-round—including apprenticeships in Child Development and Nursing, the FAME program for industrial maintenance, and internship placements with area businesses. These programs allow students to gain valuable skills and income while completing their studies.

Support services remain fully available during the summer semester, including success advising, mental health counseling, tutoring, technology loans, emergency financial assistance, and access to our free food pantry. Many offices also continue to offer virtual assistance to make it easier to stay connected, even with a busy summer schedule.

Whether you're taking one class or a full course load, now is a great time to plan ahead. Review the Summer 2026 offerings, meet with a success advisor to map your Pathway and transfer goals, and explore the many resources available to help you succeed. Visit our website, use the Wallace State mobile app, or stop by Lion Central for in-person support.

We look forward to spending the summer with you and celebrating all the progress you'll make. Here's to a productive, inspiring, and successful Summer 2026 at Wallace State!

Vicki P. Karolewics
President

Disclaimers/Policies

DISCLAIMER

Information contained in this schedule is offered for planning purposes only and is subject to change. For the latest information, visit www.wallacestate.edu/schedule.

ACCREDITATION

Wallace State Community College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate degrees. Wallace State Community College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Wallace State Community College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

ADA ACCOMMODATIONS

All students receiving services through the ADA Office need to make an appointment or stop by to discuss the classes and accommodations needed for the Semester. All students wanting to utilize their accommodation for priority registration must make the appointment and have documentation on file before April 1, 2026. The WSCC ADA Office publishes a handbook outlining the policies and procedures required for acquiring academic accommodations. It is the student's responsibility to make sure that each step is completed. For further information, contact Director of Special Populations, Lisa Smith on the 8th floor of the Bailey Center, 256.352.8052 or visit <http://www.wallacestate.edu/accessibility>

NON-DISCRIMINATION POLICY

It is the policy of Wallace State Community College, a postsecondary institution under the control of the Alabama Community College System Board of Trustees, that no person shall, on the grounds of race, color, sex, religion, national origin, disability, age, or other classification protected by law be excluded from participation in, be denied benefit of, or be subjected to discrimination under any program, activity or employment. The College will not retaliate against any person because they have engaged in a protected activity opposing the College or because they have made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding or hearing alleging discrimination on a basis specified above.

Admission Policy

256.352.8236

Wallace State Community College is an open admissions institution. All students who have earned a high school diploma or GED are eligible for admission. In addition to an application for admission, students are required to supply the College with an official copy of their high school transcript or official copy of their GED scores. Students transferring from another college must submit an admissions application and an official copy of their transcript(s) from each college they have attended; in addition to their high school transcripts or GED scores if they did not complete a baccalaureate degree. Transient students must submit a transient letter from their home institution stating the courses they will be allowed to take in addition to an application for admission.

Special requirements may apply to International Students seeking admission. International students must submit official transcripts, an I-20 Form, TOEFL scores, declaration of responsibility statement, proof of insurance, and all appropriate admissions forms. Further information is available in the college catalog.

Visit Lion Central in the Bailey Center, or call 256.352.8236 or email lioncentral@wallacestate.edu for information about general admission.

DUAL ENROLLMENT

256.352.7865

The Dual 2 Degree: Early College Programs allow eligible high school students to enroll in college classes concurrently with high school classes, either on the college campus or at the high school, and receive both high school and college credit. The student must be in grade 10, 11 or 12, have the required GPA; and obtain written approval of the Principal and Superintendent.

Contact the Dual Enrollment office at 256.352.7865, or email dual2degree@wallacestate.edu, for information about Dual Enrollment, Transfer Academy and Career Academy.

Getting Started at Wallace State

1. Apply for Admission, click on **Apply & Register** on the Wallace State website.
2. See **Admissions Eligibility** for Required Documentation.
3. Submit high school transcripts and transcripts from other colleges.
4. Apply for financial aid: Visit the **Financial Aid** section of the website for complete information.
5. All students must have appropriate placement scores in math and English. The ACCUPLACER assessment exam will determine placement in math and English classes. If you received a score of 17 or higher on ACT English and math, you are exempt from this test. You may also be exempt based on courses taken and grades earned in high school. See your advisor for information or the Center for Student Success located in the Bailey Center Lobby.
6. Attend Lions' Pride and Wallace Way. These events are designed to help new students register for classes, prepare you for the first day of classes, and inform you about the policies, procedures and opportunities that await you as a Wallace State student.
7. First time students are encouraged to meet with an advisor for initial registration. To schedule non-traditional/distance education advising services for online students who are out-of-state or cannot access traditional advising services, please call the Center for Student Success at 256.352.8040.
8. Log onto your myWallaceState account. Visit www.wallacestate.edu, click on myWallaceState – then select the appropriate option.
9. Register for Classes: Take a look at the schedule for the semester you want to register. There you will find a listing of classes offered, registration schedule and other useful information. View your DegreeWorks education plan to determine classes that you have completed or need to take. You will register for classes on your myWallaceState account.
10. Pay tuition and fees either online from your myWallaceState account or at the Cashier's Office located in the Bailey Center.
11. Get your Lion Card and parking decal at Lion Central located in the lobby of the Bailey Center. You will need your unexpired driver's license and vehicle tag number in order to receive a parking decal. You will need proof of identification to receive your Lion Card.
12. Visit www.wallacestate.edu/pawpack to verify Paw Pack order or opt-out of the program. The opt-out window is open May 12 through June 2 for the Summer 2026 semester.
13. Go to classes! All students must have attendance verified during the first week of class to avoid the class being dropped from their schedule. See important attendance requirements in the Financial Aid section of this schedule. See Building Codes and Campus Map at the back of the schedule.

Register Online

wallacestate.edu/register

1. Visit www.wallacestate.edu. Click on myWallaceState. Login using your A#@alabama.edu (ex. A00099990@alabama.edu) and the password you created when you claimed your account.
2. Note: If you have previously changed your password, use that password to login as described above.
3. Click on the Student Portal to Open Student Dashboard, click Student Services, then click on Registration under the heading: Student Records.
4. Click on Register for Classes. Select the Term for registration. You can enter the Course Number (CRN) or Search by Subject, Course Number or Keyword.
5. After selecting your classes click Add and then Submit
6. To view /print your class schedule: Go to the Student Link; View Registration Information, locate the printer icon in the upper right corner.
7. Students should make a payment in full or they will be auto-enrolled in the Tuition Payment Plan. See p. 7

NOTE: The days of the week in the schedule are indicated as follows: M = Monday; T = Tuesday; W = Wednesday; R = Thursday; F = Friday; S = Saturday; U = Sunday. For example, a class with days listed as TR are held on Tuesday and Thursday.

WHAT ARE MINI TERMS?

Mini Term I: May 26-June 29; Mini Term II: July 2-August 5

Mini Terms are offered each semester to allow students 1) the opportunity to complete courses in less time than a regular full term, and 2) to start a class or add extra classes mid-semester. Students wishing to accelerate completion of their degree might choose, for example, to complete ENG 101 during Mini Term I and ENG 102 during Mini Term II, so that both classes are done in one semester. Fall and Spring Mini Terms are typically 8 weeks and 5 weeks in the Summer due to the shorter semester. Be sure to talk to your advisor if you have questions about scheduling.

NOTE: Students are encouraged to register for Mini Term II classes during Registration April 6 through May 28. Students using financial aid may not be awarded additional funds if registration for Mini Term II is completed after July 2.

Withdrawal Policy

Dropping a Course During Registration and Drop/Add Period

A student may drop a course either in person or through their MyWallaceState account at any time during registration and until the official drop/add period ends. Students who choose to drop a course in person may request assistance by visiting Lion Central, located in the Bailey Center Lobby.

If a course is dropped before the first day of classes, both the course and the associated charges will be removed from the student's record.

If a student attends a class during the drop/add period and later decides to drop the course before the drop/add period ends, the student will be charged a prorated tuition fee in accordance with the college's refund policy.

For additional details, refer to the Tuition Refund Policy on page 7.

Withdrawal from a Course After Registration and Drop/Add Period Ends

Once the drop/add period is over the student may withdraw from a course and will receive the grade of W in the course. The W will be posted on the official transcript and will not be used in computing the GPA. (The W will be used in calculating

attempted hours for Satisfactory Academic Progress (SAP) to receive financial aid.) The last date to withdraw from a course for the term is published in the current course schedule. Students can withdraw from a course via their MyWallaceState account on in person at Lion Central located in the Bailey Center Lobby. Students who receive financial aid are advised to meet with the college Financial Aid department to determine impact on SAP.

Withdrawal from the College

A student may withdraw from the institution up to the deadline published in the course schedule. Withdrawing from all classes constitutes a withdrawal from the college. Once the drop/add period is over the student may withdraw from a course or all course and will receive the grade of W in each course in which they withdraw. The W will be posted on the official transcript and will not be used in computing the overall GPA. The W will be used in the calculation for attempted hours on SAP. The last date to withdraw from a course (or all courses) is published in the current course schedule. Students can withdraw from the college via their MyWallaceState account or in person at Lion Central located in the Bailey Center Lobby. Students who receive financial aid are advised to meet with the Financial Aid department to determine if withdrawing from all classes will impact their Satisfactory Academic Progress (SAP).

Students receiving financial aid should read the following information carefully:

Census/Freeze Date - Dropping a course prior to June 3, 2026, will result in a recalculation of a student's federal financial aid which includes Pell Grants, Direct Loans, and SEOG Funds. This recalculation could affect the amount of the financial aid award and may result in a balance owed to the college. Students that register for courses in subsequent terms AFTER June 3, 2026, may not be eligible to receive additional financial aid coverage for the added classes. Students should register for all classes in future terms at the beginning of the term if possible to ensure maximum federal aid. This includes Pell Grant and Direct Loans. Please check with the Financial Aid Office before adding these courses for individual questions about this process.

60% Date of Term - Dropping ALL classes prior to July 13, 2026, will result in a recalculation of federal financial aid which includes Pell Grants, Direct Loans, and SEOG Funds. This recalculation will be based on the number of days the student attended the class prior to dropping all classes. These days determine the percentage of aid the student earned for the term. A student will likely owe a portion of financial aid back to Wallace State and/or the US Department of Education if all classes are dropped prior to July 13, 2026, or if the student quits attending classes prior to July 13, 2026.

APPLY EARLY – Students applying for financial aid should apply at least two (2) months before the next semester begins. Applying early will help ensure a timely response to federal guidelines and will allow for any unforeseen problems/situations that might occur. Applying early will also help the student avoid potential long lines or waits.

BOOKSTORE CHARGES

If Pell Awards exceed the amount of tuition and fees owed, students may charge books and supplies on their Pell accounts at the WSCC Bookstore. These accounts will be open for charges Wednesday, May 13, 2026.

ONLINE/DISTANCE EDUCATION students are responsible for logging in and meeting attendance verification requirements for all Canvas, Internet, and video classes. Pell funds will not be distributed until attendance is verified.

BALANCE CHECKS

Per federal guidelines, attendance must be verified before balance checks can be mailed. Students who have not been electronically verified as attending their classes by their instructors will not be able to see their Financial Aid funds on their myWallaceState account for that class that has not been confirmed as attending. As more classes are verified, more funds will be added to the student account balance that can be seen on myWallaceState student account.

PLEASE NOTE: Students in DISTANCE EDUCATION courses are responsible for logging in and meeting attendance verification requirements for all online classes. Pell and loan funds will not be mailed until attendance is verified. Pell Grant and loan balance checks, with no holds, will begin mailing Monday, June 8, 2026. If you are registered in classes that begin later than Monday, June

8, 2026, your balance check will be mailed at a later date after attendance is verified. You must attend classes prior to any funds being mailed for a particular class. Withdrawal from all classes after receiving balance checks will result in Pell overpayment and future Pell payments for WSCC or any other college will cease until the overpayment is repaid.

SET UP DIRECT DEPOSIT:

Students can receive their refunds by direct deposit. Please follow these steps:

1. Log on to your myWallaceState account.
2. Select View All Cards.
3. Select Account Transaction Card.
4. Select the option you need.

ATTENDANCE VERIFICATION (AV)

Removal for classes with no AV can affect eligibility for Financial Aid and the award amount. Students utilizing federal financial aid who do not show attendance for one or more classes may have registration removed from the classes lacking attendance verification. Students will need instructor permission to re-enroll in classes that were removed for no attendance verification. Students cannot be paid on classes until we can document they started the class.

INSTITUTIONAL SCHOLARSHIP recipients must complete a 2025-2026 FAFSA prior to enrollment being completed. Scholarships cannot be added to the student account until the FAFSA is received.

REMEMBER

Students must re-file for Pell Grants for every academic year (Fall – Summer). The Free Application for Federal Student Aid (FAFSA) is available online at <https://studentaid.gov/h/apply-for-aid/fafsa>. Students applying for 2025-2026 (Fall 2025, Spring 2026, Summer 2026) Pell Grants must complete the forms with 2023 tax data. It is the student's responsibility to provide any additional information requested by the Financial Aid Office. The Grant cannot be awarded until the student's file is complete.

****Priority Deadline for Fall 2026 Financial Aid is June 1, 2026.**

Complete Financial Aid and Admission paperwork must be submitted by the deadline of June 1, 2026, in order for funds to be available for Fall 2026. Visit <http://www.wallacestate.edu/finaid>. Students should review their myWallaceState account for individual requirements.

TUITION REFUND POLICY

Refund for PARTIAL withdrawal: Students who do not completely withdraw from the college but drop a class during the regular drop/add period will be refunded the difference in tuition paid and the tuition rate applicable to the reduced number of hours, including fees appropriate to the classes dropped. There will be no refund to a student who partially withdraws after the official drop/add period has ended.

Refund for a COMPLETE withdrawal: A student who officially or unofficially withdraws from all classes before the first day of class will be refunded the total tuition and other institutional charges. A student who officially or unofficially withdraws completely on or after the first day of class but prior to the end of the third week of class will be refunded according to the following prorated refund schedule:

7/6-7/7	NO refund	25% minus Admin fee
After 7/7	NO refund	NO refund

Administrative Fee: An administrative fee not to exceed 5% of tuition and other institutional charges shall be assessed for each withdrawal within the period beginning the first day of class and ending at the end of the third week of class.

NOTE: Insurance fees are non-refundable.

Tuition refunds are computed according to the date the student notifies the college Admission's Office of their official withdrawal, not his/her last date of class attendance.

Wallace State does not give cash refunds:

Under normal circumstances, refund checks are issued weekly and mailed to the student. If payment was made by check, the student must wait 15 days for the check to clear before a refund is issued. Refer to the current academic calendar for drop/add and withdrawal deadlines.

Residence Halls

256.352.8156

Living on campus has many advantages. Wallace State's residence halls provide an environment conducive to academic achievement and are conveniently located within walking distance to classrooms, the library, and other campus facilities. Residents often find that living in a residence hall is a great way to become involved in student activities and make new friends.

Wallace State offers both men's and women's residence halls. The rooms are large and designed for double-occupancy, but a limited number of single rooms are available. Most rooms have two double beds, two study areas with storage units, a large walk-in closet and a private bath. Multiple laundry facilities are located in each residence hall with coin-operated washers and dryers.

The residence halls also provide community kitchen facilities. In addition, residents are allowed to have refrigerators and microwave ovens in their rooms. Wally's Grill is located in the Garlan E. Gudger Student Center and provides meals offered through the meal plan. The Grill is open Monday-Thursday 7:30 a.m. to 5:30 p.m. A variety of restaurants are located adjacent to campus. Students on the meal plan may also be served at the WSCC Café in the School of Nursing and Center of Science. The WSCC Café is open Monday-Thursday 7:30 a.m. to 2 p.m.

Summer Semester Residence Hall Rates

- \$1,700 Double Occupancy
- \$23.61/Day Double Occupancy Prorated Rate
- \$3,400 Single Occupancy
- \$47.22/Day Single Occupancy Prorated Rate

Applicants admitted to the residence halls after the second week of classes will be charged a prorated residence hall rental rate based upon the number of days remaining in the semester.

Summer Semester Meal Plan

- 8 Meals Per Week
- \$650
- \$17.86/Day Prorated Rate

Applicants applying for the meal plan after the second week of classes will be charged a prorated rate based upon the number of meal plan days remaining in the semester.

ON CAMPUS HOUSING PAYMENT SCHEDULE

Payment for dorm rent is due before move-in for new students; returning students should follow tuition fee schedule on Page 7.

Bookstore Information

256.352.8100

Wallace State Community College is excited to announce **Paw Pack**, a new program in partnership with our Barnes & Noble Bookstore to deliver all your required course materials in one convenient package before the first day of class. Unless you opt out of the program, your course materials will be included in your student account balance—**saving you 35–50%** on textbooks and more.

Our Paw Pack (First Day Complete) program makes getting your course materials more convenient and affordable.

- Receive all your course materials before the first day of class
- Save 35-50% on the cost of course materials each term
- Benefit from a highly personalized service

How it works

- **Register for classes:** Upon registration for courses, you will be automatically enrolled in the program.
- **Verify your order:** Starting 30 days before the first day of classes, you will receive an email to verify your order and select your fulfillment preference - you will be given an option to opt out of Paw Pack if you choose not to participate.
- **Receive your textbooks:** An email notification will be sent when your order is ready for pickup or when it ships. Your digital materials will be delivered for your course(s) within Canvas.
